ABOUT THE COMPANY

Romanov Maritime Agency is a licensed crewing and crew management company established in 2001 in Ukraine.

For more than 20 years, we have been providing reliable crewing solutions for shipowners and operators worldwide, supplying qualified officers and ratings for various vessel types.

Our agency specializes in long-term cooperation, flexible crew management solutions, and operational reliability, ensuring safe and efficient vessel performance. With recruitment capabilities across Ukraine and neighboring regions, as well as international partnerships including Filipino crew supply, we provide scalable workforce solutions tailored to our clients' operational needs.
