# WHO WE ARE

PT Indopower Crew Management, a reputable and fully licensed crewing agency based in Jakarta, Indonesia. Established in 1995 and backed by over 30 years of solid experience in the crewing industry, our company holds a Manning Agency License from the Directorate General of Sea Transportation, Ministry of Transportation Republic of Indonesia, is ISO 9001:2015 certified for Quality Management Systems in the provision of ship manning agency services, and fully complies with MLC 2006 as an accredited Seafarer Recruitment and Placement Service provider.

Our core mission is to supply skilled and experienced Indonesian seafarers for a wide range of vessel types worldwide. Each member of our crew is STCW 2010 certified, ensuring they meet international standards and industry expectations.

## VISION

To become the leading provider of Indonesian maritime professionals globally recognized for our commitment to quality, reliability, and excellence in crew management. We are dedicated to ensuring the success and safety of our clients' operations worldwide.

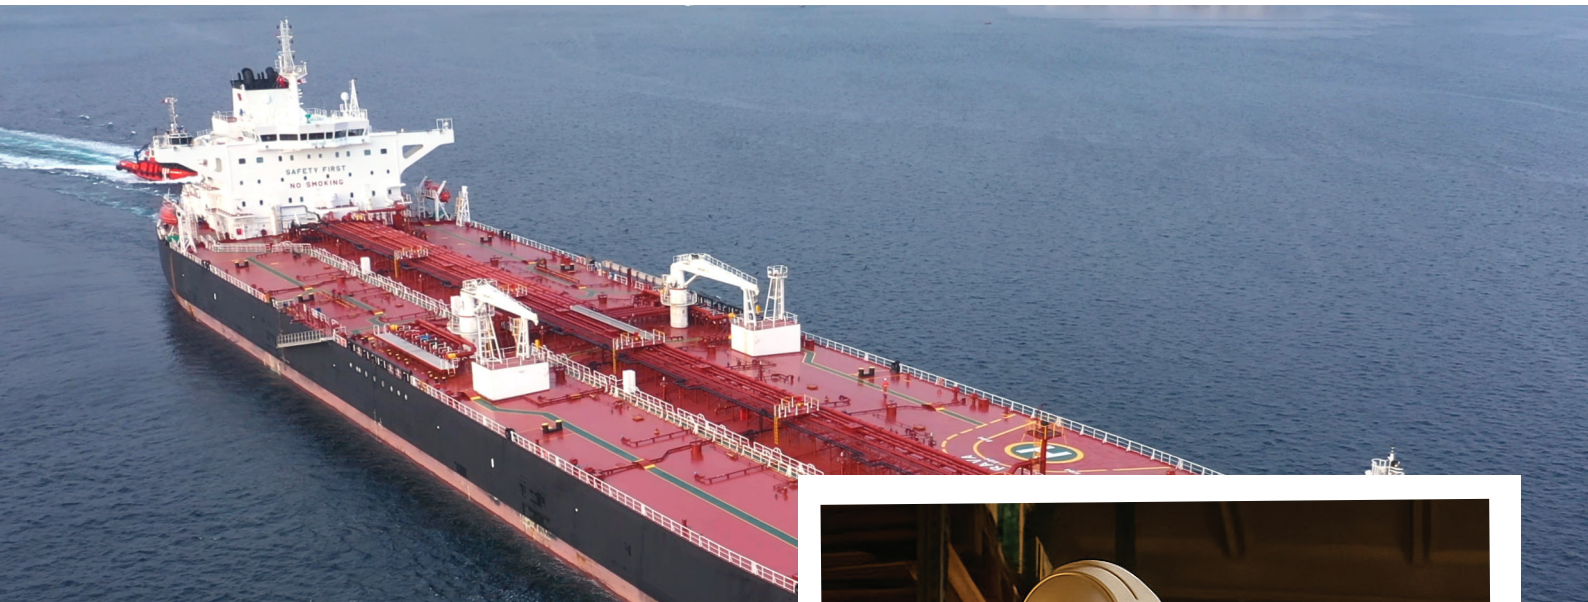

## MISSION

- To recruit, train, and provide highly skilled and qualified Indonesian seafarers who meet international standards for all types of vessels.
- To maintain strict compliance with the Maritime Labour Convention (MLC) 2006, ensuring fair, ethical, and professional recruitment and placement practices.
- To deliver unparalleled support to our clients and crew, offering 24/7 service to address crewing needs and challenges swiftly and efficiently.
- To foster long-term partnerships with shipping companies by providing reliable, cost-effective crew management solutions to meet the evolving needs of the global maritime sector.

**We understand that the success of the shipping industry relies heavily on the reliability and professionalism of the crew, and we are here to provide the best solutions for shipping companies around the world.**

We are committed to recruiting the most qualified and reliable applicants by implementing a comprehensive selection process. This includes strict verification of the validity and authenticity of crew members' documents, certificates, and previous employment records. Additionally, we conduct thorough assessments to evaluate both their professional competency and proficiency in English, ensuring that only the most capable and well-prepared individuals are placed on board.

## Crew Recruitment

Each member of our crew is trained and certified under STCW, ensuring they meet international standards and industry expectations.

- Minimum 2 years experience on similar vessels
- Graduates from accredited maritime academies
- Valid professional certifications  
English proficiency (Marlins-certified as applicable)
- Dependable, flexible, and adept at working in multinational teams

## Our Recruitment Process

### Selection

- Rigorous sourcing and screening of qualified seafarers
- Verification of documents including Certificate of Competency (COC,) Certificate of Proficiency (COP), and sea service records
- Comprehensive competency and English language assessments

### Pre-Employment

- Thorough medical examinations including drug and alcohol testing by approved and certified medical clinics
- Handling of Seafarer Employment Agreements (SEA), flag documentation, and visa processing

### Pre-Departure

- Detailed crew briefings on safety protocols and company policies
- Provision of Personal Protective Equipment (PPE) such as coveralls and safety shoes
- Coordination of travel and boarding (E-tickets, Letters of Guarantee/OK to Board)

## Crew Planning & Management

We conduct integrated crew planning and management such as crew assessment and upgrading, and crew redeployment. These services are designed to help shipping companies maintain their smooth operations with a workforce that is always ready and available on schedule.
