## To Whom It May Concern,

We are pleased to introduce **SEALANDER Crewing Agency**, with main offices in **Bahrain** and current operations in **Ukraine**. Since our founding, we have been a reliable partner in the maritime industry, specializing in **crewing services** and **shipping solutions**.

We operate in full compliance with the **Maritime Labour Convention 2006 (MLC 2006)** and hold the **ISO 9001:2015 Quality Management Certificate**, ensuring the highest standards of safety, reliability, and performance.

---

## Our Crewing Services

- **Extensive Seafarer Database:** We maintain a large database of skilled and experienced **Ukrainian, Russian, Georgian and Indonesian** seafarers, ready to join vessels of all types and ranks, fully compliant with international standards (STCW).
  - **Trusted Social Media Community:** With an active presence on **LinkedIn Telegram** and **Facebook**, we have built a strong community of seafarers who trust us and are always ready for work.
  - **Comprehensive Support:** We handle crew transfers, visas, and documentation for smooth and efficient operations.
  - **Tailored Solutions:** Our team provides personalized crewing services, matching the unique needs of your fleet.
- 

## Our Shipping Services

- **Freight Management:** Expertise in handling **bulk, breakbulk**, and **containerized cargo**.
  - **Danube & Black Sea Connectivity:** Cost-effective transportation solutions across all major ports in the region.
  - **Logistics Planning:** Comprehensive solutions to ensure safe and timely cargo delivery
- 

## Why Choose SEALANDER?

- **Experienced Professionals:** A team with extensive maritime expertise.
- **Large Network of Seafarers:** Immediate access to a pool of qualified and trusted crew members.
- **Strong Online Presence:** A thriving seafarer community on social media, connecting us with thousands of industry professionals.
- **Let us take care of your crewing and shipping needs while you focus on achieving your operational goals.**
