Client Feedback

A big thank you for **incredible efforts** this week. Even with a four-day week our submission target is met with another RFT. I appreciate the short notice push on some of these. wanted to send recognition of the extra efforts it has taken to achieve. **Amazing work as always.**

-Oct 2024

You've shown a good understanding of the process, and your **reliability in getting tasks completed** on time is appreciated. It's clear that you're taking ownership of your work and are **committed to doing it well.**

-Oct 2025

Thank you, proud to have you on board. You do a **fantastic job** across Helios and Daily Records. Thank you for all the hard work and **dedication.**

-Dec 2024

Extremely happy with your performance. You have strong communication skills, and it is very rare that I have to prompt or chase you to complete tasks, as I know they are always being worked on. I would like to see you bringing inexperienced members of the team up to your level.

-Mar 2025

Thank you for the contribution on Three project. You proved to be **highly skilled and professional**, capable of completing assigned tasks on time and to the highest standards. **Always willing to help out** when required and assist when necessary.

-Sep 2025

A difficult job staying on top of the con16s, a lot of processing, and you do an **outstanding job.** Well done, and here's to many more years working together.

-Dec 2024

I'm getting **nothing but the best feedback** on your team's performance, particularly with the MSDDs this week.

-July 2024

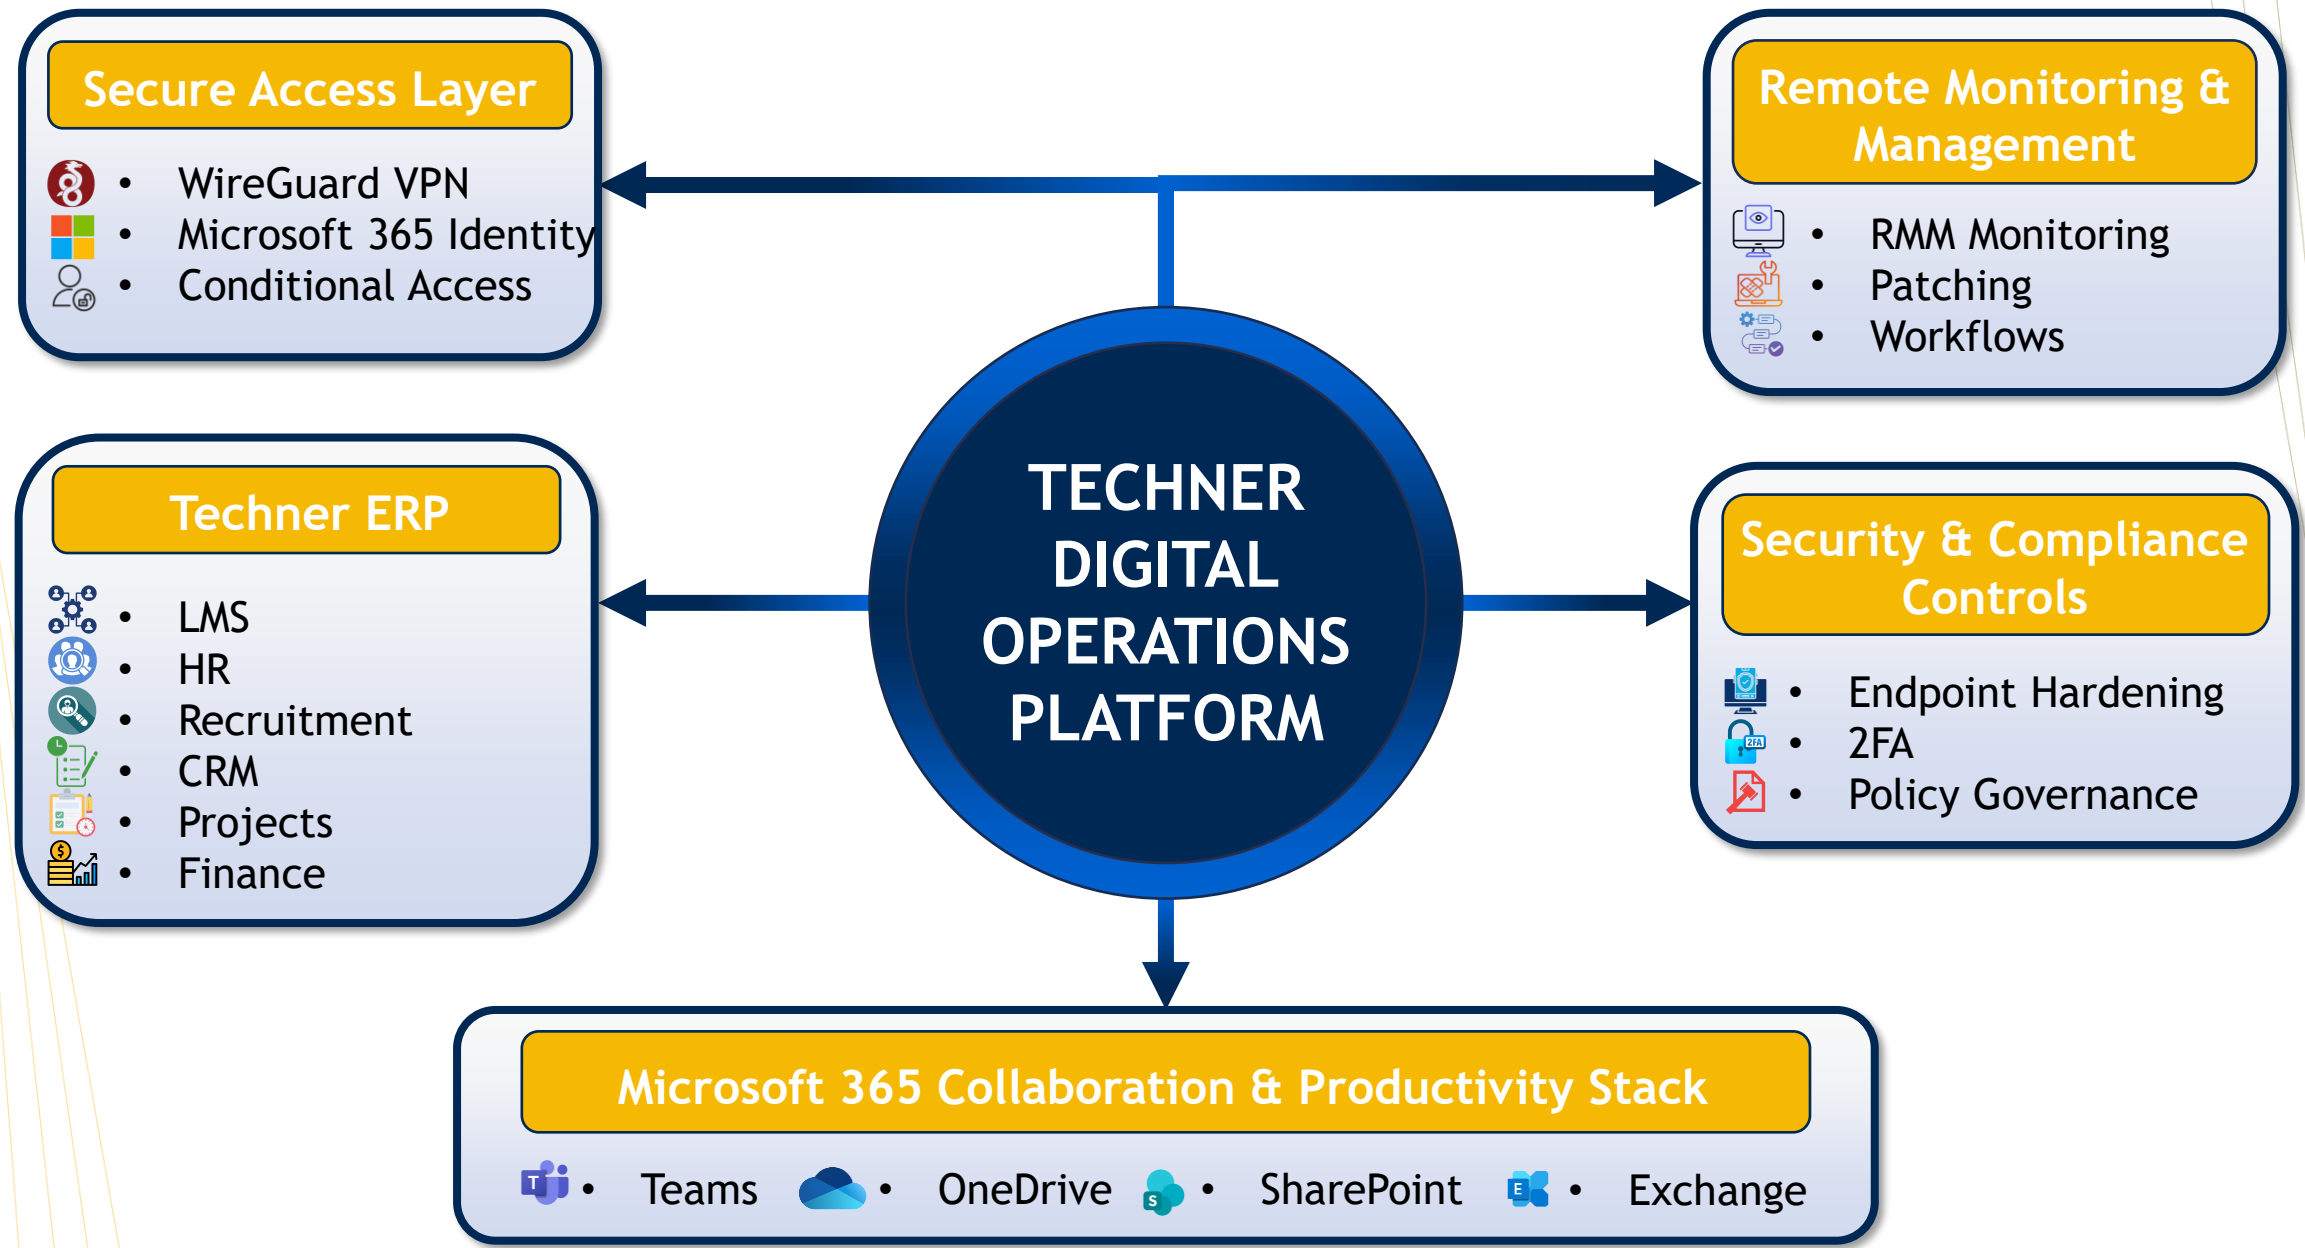

Thank you for the **quality service** your staff provide - **Quality people.**

-Aug 2025

I would like to express my joy at the **progress and effort** Awais has brought to the team. Awais goes an extra mile and has been an **excellent addition** to my team.
